Thank you to all the families participating in our "Reading Makes Cents" program. Our students collected 59,167 pennies in their banks. With these funds we were able to adopt seven animals (2 dolphins, 1 penguin, a sea lion and a polar bear cub) at the Brookfield Zoo. We also adopted sea turtles named Pacifica and Squirt, which we tracked. Finally, we were able to help support the Karen Beasley Sea Turtle Rescue and Rehabilitation Center with a donation.

Please continue with your child's daily reading habits right through summer vacation. You will find attached STAR testing results and information about the Lisle Public Library Summer Reading Program. We strongly encourage all children to participate in this free program! Do not hesitate to call if you have any questions about any of our programs.

For those of you leaving our Tate Woods family, it has been an honor working with your child, and we wish you happiness in your future educational experiences. For those returning to Tate Woods in the fall, we would greatly appreciate your volunteer help in the LRC. Please sign up with the LEHSO, in your classroom, or call us and leave a message.

Thank you to our volunteers: chairperson Laraine Billings, volunteers Tina Baur, Lizla Daniels, Sheryl Fasone, Cathy Geers, Lisa Gergits, JoAnne Haldeman, Bob Hansen, Kelly Hedrick, Connie Hoscheidt, Lisa Laue, Julie Levins, Lanie Manns, Eunice McConville, Mary Moses, Carrie O'Connor, Mary Oliphant, Rita Pereira, Julie Springer, Laura Tchakanakis, Monica Wagoner, Stephanie Williamson, Lisa Zellak, and others who stopped by to put books away or help children.

Sincerely,

Judy Bauman, LRC Director
